We are plotting to make you richer.

15 housing is an ISO 9001:2008 certified company. Turning people's dream of owning a home into reality while providing them with exponential returns on their investments.

we take pride in the fact that we have been helping thousands of families realize their dreams, providing exponential returns on their investments.

Residential plots are gaining prominence as one of the most preferred property types. This trend was also reflected in our latest survey, where for the first time plots emerged as most preferred property-type with about 48 per cent respondents voting for it.

Located just behind the prestigious high rise development of Akshaya's "TODAY" and surrounded by other major developments like PBEL City, Altair - Shanthiniketan, this plotted development on 2.35 acres and an exclusive landscaped community garden on 2 acres within a fully compounded gated community is unique in every way.
